

Submissions to join the Society

SELECTION

Work should be delivered to the Usher Gallery at 10 am on the viewing date and collected on the same day between 1 and 2 pm.

Candidates will be notified of the result by post as soon as possible afterwards.

Please make sure that your portfolio and the contents are adequately labelled.

PORTFOLIO GUIDELINES

There are no specific rules governing the content or size of your portfolio but the Committee need to see recent examples of original work. Drawings and sketchbooks or other source material would be particularly helpful.

Please supply a copy of your CV or indicate your training and experience either with your portfolio or previously to the Membership Secretary.

The framing of pictures is not essential but it can be a guide as to how you might think of submitting works for exhibitions with the Society.

If you work in 3D or you have difficulty in transporting the work, we suggest that your original submission be in the form of photographs or slides with accompanying drawings or maquettes.

SUBSCRIPTIONS

The current Annual Subscription is £20. A reduction is offered to artists joining part way through the year.

The Folio Selection Committee meets four times a year..

Please contact David Morris for the next available date.

Artists, sculptors and architects photographers etc. wishing to join the Society should contact the Membership Secretary.
